PeaksVPass: Discount for Islanders and Frequent Vehicle Users

Purchase of a new PeaksVPass supplement to an annual or 90 day passenger pass will qualify the pass holder to buy unlimited discount vehicle tickets for the period of their annual or 90 day passenger pass. The concept will be discussed at the workshop.

There is no residency requirement for purchasing an annual or 90 day passenger pass. The proposed PeaksVPass supplement to buy discount vehicle tickets will not be tied to residency.

Other discounts and future discussions

Four days proposed for the deepest discount, Sun-Wed. Wacky Wed \$36.65 fare will be eliminated.

Tickets will need to be valid for the season and day of week of travel. April advance buying prior to peak season rates will no longer be available.

Other reduced fares to be discussed include handicapped and Loyetta Voyeur Fund.

Large vehicle rates by size to replace commercial vehicle by weight concept, and charges for trailers, bike racks, etcetera to be discussed.
